## Sultan Browndale 1772330

Grand champion Shorthorn bull at the 1935 International Live Stock Exposition and American Royal Show as well as at the Illinois, Iowa and Indiana State Fairs. His sire was the champion Glenburn Field Marshal by the International grand champion Edellyn Favorite by Browndae Count. His dam was Rookwood Golden Chain 5th, the dam of bull Lot 1 in this catalog. Sultan Browndale was bred at Edellyn and his calves, a feature of this sale, are convincing proof that he is as great a sire as he was a show bull. One of his first bull calves, Rosehaugh Sultan, to be sold in this sale, was junior champion at the 1936 International.

## Brawith Count 1846144

Winner of first prize in the summer yearling class at the 1936 International Live Stock Exposition and now the junior herd sire in the Edellyn Herd. He is a son of Imp. Brawith Boy, the only Scottish Highland champion that was ever imported to America and winner of the grand championship at the Canadian National and Toronto Royal Shows after his arrival in Canada. Brawith Count represents five generations of the breeding of Jas. Douglas & Sons and his third dam is almost a full sister of Browndale Count. His dam is in our herd and you will see her on sale day. After you see the dam, the bull and a full sister to the bull, we know you will want to buy the females in calf to him.

### Raveni Leader 1680652

Junior champion bull wherever exhibited in 1932, including the International Live Stock Exposition and the American Royal Show and grand champion at the 1933 American Royal. He was produced from the mating of Browndale Pilot with a daughter of Browndale Star. He is now one of the chief stock bulls at Edellyn Farms and his calves are among the best ever produced in our herd. There are eight bulls and eight heifers in this sale sired by Raveni Leader and it is doubtful if any sale held in this country during the past decade has listed eight better individuals sired by one bull.

### Calrossie Goldfinder 1753587 (Imp.)

One of the chief stock bulls at Edellyn Farms and one of the most valuable sires ever imported from Scotland to this country. He is a son of the noted Collynie Royal Leader by Balcairn White Eagle and is a half brother to Calrossie Control whose ten sons in the 1935 Perth Sale sold for an average of \$4100.00. This is the blood that is really doing things in Scotland and breeders in this country should be eager to obtain it through his sons and daughters in this sale. A number of the calves that are offered by him are also out of imported dams that have been selected from the most famous herds in Scotland.

## Terms and Conditions

The Edellyn Herd is Federally Accredited. Every animal in this sale has been tested for both Tuberculosis and Bang's Disease and they are guaranteed to conform to the health requirements of any state or herd.

1. Proper care should be given by purchaser to protect breeding qualities and health of animals.
2. All bulls guaranteed breeders. A bull shall not be allowed to serve when under fourteen months of age or be allowed to run with herd when under twenty months of age.
3. Cows sold with calves by side are considered proven breeders. All other cows and heifers sold as a single lot are guaranteed breeders, except calves sold by side of dam as one lot, and heifers under sixteen months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled, must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale shall be promptly reported.
4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser, but the seller, may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. Salvage to go to the seller. No charge for feed or maintenance shall be made by either buyer or seller. Edellyn herd has been accredited for 6 years.
5. Certificate of registry and transfer will be furnished with each lot sold.
- Shipment will be made as soon as possible after close of sale and without trouble to the purchasers, but at their risk of loss or injury.
6. TERMS: Cash, unless other arrangements are made before sale.

## THE Twelfth Annual Auction of Edellyn Shorthorns

Monday, June 7th. Again, in describing the offering, it can be said without fear of contradiction that this is the most valuable lot of cattle ever offered from this famous herd. All of the 42 animals that are to be sold were bred at Edellyn Farms, over half of them are out of richly bred females selected from the greatest herds in Scotland, and all but five animals in the offering are by bulls that are at present in service at Edellyn Farms. Almost five hundred animals of Edellyn breeding have been sold in the eleven auctions which have preceded this one and it is a matter of record that they have been outstanding improvers wherever they have gone. Those who shape the destiny of the Edellyn Herd have reason to feel very proud of this record and they may proceed with the 1937 auction with full assurance that the animals offered will bring a full measure of success to their new owners and added prestige to the name "Edellyn."—Hal Longley of The Shorthorn World.

### *About the Bulls . . .*

There are 17 bulls listed in this sale. It is doubtful if a like number of better ones have ever been offered in one sale in this country. Come to the sale and study them. You will find that they excel in strength of heads, levelness of lines, shortness of legs, depth of bodies, spread of ribs, fullness of quarters, smoothness of tail heads, and richness of color. The sires and dams of all of them will be where you can see them on sale day and we are proud to exhibit them. More than that, these same sires and dams have produced other famous show and breeding bulls,—a factor which should lend confidence. And remember,—we welcome the small breeder as well as the large breeder.

Edellyn Browndale Sultan is a model of perfection. Certainly he is one of the choicest ever bred at Edellyn. His sire was the International junior champion Raveni Leader and he is out of the same dam as the International grand champion Sultan Browndale. What more could you ask? Here is the perfect prospect for a show and breeding bull with equally perfect ancestry. Manager Jack Dickson says: "A bull of better type and quality has never been offered in this country."

**Sultan Landlord**—Never has a bull of better type or with greater character been offered from Edellyn than Sultan Landlord. His dam is a low set, thick, dark roan cow that won the championship at the Shorthorn Congress and his sire is also a dark roan. This bull has everything to recommend him for use at the head of the greatest herd in the country and he will always be at the top in any show. If it is convenient with the buyer, we would like to keep this bull and exhibit him at 1937 shows.

Edellyn Leader's Gift is a real prospect for the 1937 senior bull calf class. He is one of the youngest calves in the sale but he has those qualities that critical herd bull buyers demand. His dam, a red daughter of Browndale Gift, produced the good bull that was purchased by the government a few years ago. Be sure to see this calf.

Edellyn Storm King is out of one of the best imported females in our herd and he is a son of the great show and breeding bull Raveni Leader. He is a bull of grand color and you cannot fail to approve his blocky, short legged, compact type. We predict that the man who buys him will work real improvement in his herd.

Leader's Clansman is a very blocky, low set, short legged son of the noted Raveni Leader. This bull has the finish over the tail head that you will like. His dam is a roan and it would be hard to find a stronger concentration of Avondale blood. If you want a summer yearling show bull and one that will make a top sire, here he is.

# PROGRESS . . .

And the truest method of measuring it.

## The Son—

**E**dellyn Favorite, a son of Browndale Count. He was grand champion bull at the 1929 International Live Stock Exposition, the Canadian National Exhibition, and the Canadian Royal Winter Fair.

## R

**E**AL PROGRESS in live stock husbandry is measured in generations. One generation of improvers is merely a demonstration of temporary progress because succeeding generations may prove less proficient and the weakness of the original strain becomes apparent. When improvement is passed from sire to son and on to grandson, great-grandson and great-great-grandson, a path of progress is carved out which may be followed with the fullest measure of success. Many such paths may be traced through the scores of successful sons of Browndale Count and the student of breed improvement will immediately trace them back even further to Browndale, Avondale and on to the great Whitehall Sultan. The trail through Browndale Count has led all who have followed it to a goal of better type, quality and conformation and, through this, to a fuller measure of profits. For your own future guidance, it is well to remember that all Browndale Count trails lead directly to EDELLYN FARMS.

## BROWNDALE COUNT

**R**osehaugh Sultan, a son of Sultan Browndale. He was the junior champion bull at the 1936 International and he will sell in the sale on June 7th. He is the fifth in a line of champions and great sires.

## A Group of the Heifers Listed in the 1937 Edellyn Sale

THE twenty-five females in this sale are a most desirable lot either for the man who is founding a new herd or the man who wishes to improve an already well established herd. They are individuals of the highest merit and a study of the pedigrees will convince you that they represent a combination of the strongest blood available in this country with the strongest blood of Scotland's most noted herds. Six of the eight beautiful heifers sired by the International junior champion Raveni Leader are out of imported dams. The seventeen other heifers are daughters of the International grand champion Sultan Browndale, Imp. Calrossie Goldfinder, Browndale Seal and Browndale Mandarin and nine of these are out of imported dams.—John Dickson, Manager, Edellyn Farms.
